

Wyndham Hill Co-op

Newsletter

October 2018

Released October 5 2018

New Webpage!

Wyndham Hill Co-op is now online! The webpage is www.wyndhamhillcoop.ca. Please subscribe to the email list.

Congrats to the member who won the door prize!

The hope is with this new webpage that the coop can use less paper. Notices will now be sent out via the online blog "The Co-op Happenings".

As a member, you now get up to date and urgent information about what may be happening in your neighbourhood straight to your email inbox. Please sign up quickly to avoid missing out on important dates or new occurrences within our community.

Webpage features to check out!

- Please check out the blog for updates
 - The Member Handbook
 - The New Digital Bylaw Binder
 - Printable Work order Sheets
 - Applications
 - The Monthly Newsletters

Please note that the monthly newsletters will only be on the webpage now. If you need a paper copy please call Joan. If we must enter your unit for work, notices of entry will continue to be written and delivered to your unit.

Community Garden

The harvest is here! The garden looks great and made plenty of vegetables for those members who chose to plant in it. Another raised garden bed was made this week. Thanks to Neil and the members who helped built it.

A leaf compost area for **leaves only** will be made constructed shortly and will be available behind the garden in the back corner. Plans for more gardens or next years gardens will hopefully be coming soon!

Thank you to the landscaping committee and anyone who took part in helping with the community garden, for making the grounds look great all season long. Keep up the great work!

*May your
thanksgiving be filled
with peace,
love and happiness!*

*Happy
Thanksgiving!*

Reminders

Fall Leaf clean up

Neil is building a leaf compost area at our community garden. Anyone who wishes to compost their leaves can get the wheelbarrow from the shed (you can get the key from Sarah in unit 11 or Laurie in unit 1). **Please do not put leaf bags or food in our compost. We only want leaves in there.**

For anyone who wants to use leaf bags for city pick up, there are some available in the lobby. The curbside leaf collection day for the city is **November 8TH** with your regular grey bin pick up. Please put leaf bags out on this date!

Mowing Lawns

We need our members to continue to mow their lawns. Some lawns have not been mowed in a long time.

Work Orders

Work orders are being done on an urgent basis. Many units are turning over and between times the work is being done from the unit inspections.

Please be patient every unit will be reached.

Rent the Community Center for only 10\$

Did you know you can rent the Community Centre for things such as birthday parties, baby showers, and family dinners for only \$10!

Please see Joan if you are interested in booking it!

Updates from the Board

Member Satisfaction Survey

We want to hear from you!

The Board invites you to have your opinions heard through our members satisfaction survey. The survey will go live on the webpage blog on **October 10th**. Please take the time to fill out the survey as it helps us as a community be able to know the needs of the membership and shape our community to best serve our members. Physical copies of the survey will be available from Joan in the office.

**TELL US WHAT
YOU THINK**
