The garden is growing very well. Plenty of plants are now beginning to bloom. Just this past month there were currant, raspberry and blueberry bushes planted in the two side gardens. Thank you to all who all who planted and are helping maintain the gardens!

### Beware Door to Door Sales people!

Please do not sign up for anything from solicitors who come to the door trying to sell you services. Tell them you will get back to them or NO THANKS. Also do not to let people like that into your home. Sometimes, once they are in your house, it is very hard to get them to leave. Try your best to talk to them through your screen door, or step out on the porch.
